tion was 16-100ths of an inch. There were twelve days upon which 1-160th of an inch

or more of rain fell. The snowfall amount-ed to three inches. Frost occurred on four

days, while hall appeared on five days. The total number of clear days was twelve; number of fair days, six, while thirteen cloudy days are recorded. The prevailing direction of the wing was from the north-

west. According to the records the month was one of the most variable for March

B. and O. in Georgetown.

Mr. Degnon, the contractor of the Bal-

timore and Ohio railroad, is in town in-

specting Water or K street, and making

a practical examination, with the view of

laying a double track on that thorough

fare. It is understood that in the event of

issuing a permit the District Commission

ers will require the repaying of Water

street in its Georg—wn entirety by the railread people. Contractor Degnon is now

getting estimates on 4,000 cubic yards of sand and the same quantity of gravel for use in the work. This branch of the rail-

road, when completed, will receive freight by way of Shepherd's landing.

Funeral of John Kniser.

The funeral of John Kaiser was held

this afternoon, and was largely at-

tended. Services were held at the late res-

idence of the deceased at 3132 O street,

Rev. Dr. Buck, pastor of St. John's Church,

officiating. Delegations from Potomac Lodge, F. A. A. M.; the Odd Fellows and the Brotherhood of Good Fellows attended

the services, and from these societies the pallbearers were selected, the deceased being a member of them all while living. The interment was made in the family lot at Oak Hill cemetery.
